

Happy New Year Fellow local 265 Retirees

I hope you all had a Great Christmas and now a for better New year. With a new year comes a new House of Representatives so, NOW LET THE GAMES BEGIN! Now we have to see if he has enough LIES to keep himself in the White House and out of jail. He can run but he can't hide.

I do not have a lot of news to pass on, not even a good rumor to pass. So, let's move to the birthday celebrations. We all want to give the biggest shout out to my brothers and friends Bob Lynch, Don Obrien, Larry Shroba, Cliff Tull, Ron Watson, Gene Lockwood, Mike Fazio, Ray Holohan, Mark Southerland. From all of your friends and from Local 265, have the best Birthday **EVER**.

And now I close with these words of wisdom from Confucius which he did not say Man who want pretty nurse must be patient, Passionate kiss, like spider web, leads to undoing fly, Squirrel who runs up woman's leg will not find nuts, Man who eats many prunes gets good run for money, Man who fight with wife all day get no piece at night, man who stands on toilet is high on pot. But the true wise says, Man does not keep sledge hammer and computer in same room.

So, thank you and until next month stay healthy and warm.

Yours Truly  
Alfie Rodriguez
