

## Hello All 265 Retirees

We are now in the dog days of summer, it's not only too hot to write the newsletter, but it is also too hot to read it. And not much is going on anyway, other than two mass shooting in two days. President Trump said he would give a statement Monday and then went golfing, the way the leader of the United States of America always should. Please someone tell me what kind of leader does that. Enough of that for now before I really get carried away. Our next luncheon will be on August 27 hope to see all there. But until then a giant HAPPY BIRTHDAY goes out to Nathan Rattin, Donny Strin, Mike Jarvis, Dick (the whistler) Wilson, hope you all have a great Birthday

.

And now for the words of wisdom, by presidents of the past. Christianity is the most perverted system that ever shone on man, Thomas Jefferson. This would be the best of all possible worlds if there were no religion in it, John Adams. The constitution is the guide which I will never abandon, George Washington. And now for a man that was never president of America but quite famous in his own rite, Benjamin Franklin, that stated I found Christian dogma unintelligible.

So, until August 27 at AL's just say UNION YES

Yours Truly  
Alfie Rodriguez
