

Hello Fellow Local 265 Retirees and anyone else

Well last month I said Your leader, knew that he was going golfing, in the face of a hurricane, that was going to hit some of the citizen of the United States of America. So in the face of another hurricane this month he canceled a trip to Poland for a meeting and went golfing to get 18 holes in. It is so hard to watch these hurricanes hit the south east but it is so hard to watch and listen to this man-made hurricane come out of Washington D C with his ignorance and stupidity but don't worry, if anyone can make it worse your president can do it. Just wait till next month I will tell you what I really feel.

This month's meeting will be at Al 's on September 24th hope to see everybody there. Hope to see you there.

And now for a giant local 265 HAPPY BIRTHDAY WISH goes out to Brothers Dale Bruno, Phil Kegel, Jack Rogers, Rick Stevens, Big Jack Bitterman, Timmy Holohan, and my good friend little Larry Rositch. We all hope you have the best birthday EVER. And until the next time we meet I leave with these words" It's is never to late to be who you might have been "

Yours Truly
