

Hello fellow 265 Retiree

Well I do think Donald Trump will be impeached but will not be removed from office because of the anti-union anti-labor anti-people anti- American Republican Senate, but his day is coming.

The next luncheon will be at AL's Steak House on Jefferson Street in Joliet IL on Oct. 22nd. Hope to see you all there .

But until then please join me in wishing a GIANT HAPPY BIRTHDAY to Gerry Belt, our good friend Ronnie Metzka, my apprentice instructor Dick Pemble, Mike Kremm Jr, Gary Neverman, and our very own Jackie Ward, Steve Bruno, and last but not least Bill (the WILD Man) Bourke. We hope you have the BEST BIRTHDAY EVER!!!!

So, until the 22nd let me leave you with these words,

I am opposed to the ' right to work ' legislation because it does nothing for working people, but instead gives employers the right to exploit labor. (Eleanor Roosevelt)

Hope to see all at AL's on the 22nd

Yours Truly
