

HELLO FELLOW RETIREES

It is like Mitch Mc Connell said, now that the budget deficit is so large (BECAUSE OF THE HUGE TAX CUTS FOR THE RICH). They have no other path to straight the budget out but to go after some of your benefits. Namely Social Security, and Medicare. So, mark my words, if you have nothing else to do in the month of November, the first thing you should do in first week of November make sure you get out and VOTE in the mid-terms, and take someone with you.

This will be the last luncheon for the year of 2018, I hope to have a full house for a good kick of the holidays. And we can talk about the elections and say what how we could have done more. So, see you all at AL's Steak House, on Nov. 27.

This is the month of November, the month to give thanks, and I give thanks for all the retirees that were born in this month, so we all give a GIANT HAPPY BIRTHDAY TO, little Pauly Rafac, Ronnie Raspolich, Jack Weaver, Joe Bielawski, Bill Clark, Bill Coleman, Bobby Putrich, Norm Sipple Jr., Steve St. Peter. So, you guys we all hope you have the best BIRHDAY EVER. Have a Happy Birthday.

Let me leave you with these few words, "Educating the mind without educating the heart is no education at all" (Aristotle).

One more fast word that I have learned during this election season, is that Everyone Appreciates my honesty, until I'm honest with them, then I'm a real ASSHOLE.

See you at AL's on the 27th.

Yours truly

Alfie Rodriguez
