

HAPPY HOLIDAYS FELLOW RETIREES

I hope everyone had a great Thanksgiving and I hope you have an even better Christmas as we march on toward the new year.

Mr. Trump will get his lump of coal for Christmas, but so well deserved. We must not let this thing get away with the harm to the American people that he continues to do every day, he must be kept in check until removed from office either thru impeachment or 2020 election.

So, we wish you all a GREAT CHRISTMAS but before that we want to WISH A HAPPY BIRTHDAY to Brothers, a young (Flo) Butch Galass, Jim (Bud) Salisbury, Big Joe Slivka, Bob Messier, Ken Johnson, Larry Lagesse, Darrell Richards, and the great white hunter Don Minor.

So have a Happy Birthday and a Merry Christmas Until the next newsletter, because the next luncheon will be in March or April of 2020.

The only thing necessary for triumph of evil is for good men to do nothing.

Yours Truly

MERRY CHRISTMAS TO ALL AND TO ALL A GOOD NIGHT!!!!
