How to Look Up Providers in The Anthem Blue Cross PPO Network

- Search for www.SMBPAC.org then click on the “Health Providers” link.
Click on the **BlueCross of California** logo if you reside in California, click on the **BlueCross of Nevada** logo if you reside in Nevada.

Click on the **Members** icon and enter your id# in the **Member ID number or prefix field**.
A new page of drop downs will appear. Select a drop down from each category.

- I’m looking for a:
- Who specializes in:
- Located near: (this field will auto-populate your zip code but can be changed)
- Within a distance of:

If you know the name of a provider and want to know if they are in the PPO network, enter the provider’s name in the “Whose name is” field.

To search for an Urgent Care clinic, Select Urgent Care from the “I’m looking for a :” drop down menu, and All Specialties from the “Who specializes in:” drop down menu.
A list of providers in the Anthem PPO network that meet your search criteria, including the provider’s address and phone number, will be appear.
