

Hello fellow Retirees

Time marches on, or do I mean, crime marches on. Back a few months ago I stated that the commander and thief would be impeached, but would not be removed from office, and so as I write this newsletter, he is still at his dismantling of American Democracy.

And for now, Putin, the KBG and the Russian oligarchs must be overjoyed with their puppet. But the real show will be later in the year as the election heats up.

But there are somethings to celebrate and those are the birthdays of our friends and Brothers, Tom Heinz, Bob Kempiak, Larry Wright, Dennis Plaskett, Ed Eckhart, Ed Davis, Glen (buckie) Martin, Tom Wasser, and my old friend Jim Grace, so from your local and local 265 retirees club THE BEST OF BIRTHDAY TO ALL YOU GUYS.

I leave you with these words until next months newsletter. You have only three choices in life:
Give up, give in or give it all you've got.

Until Next Month
