Guidelines for OSHA 30 and SST signups

For OSHA 30 sign ups- all organized, light commercial workers(LCW) and members with OSHA 10 training completed within the past 6 months(begin on night 4),must take the OSHA 30 class (8 nights) trainees will receive their 4 hour supported scaffold card at the end of night one and will receive a letter of completion upon successful completion of the course. All classes start at 4:30 and end at 9:00. If a trainee misses any night from night 4 on, they must begin at night 4 in a future session within 6 months of the class they were in. **NO EXCEPTIONS!**

Limited SST card - if a member has an OSHA 30 card whose date of issue is more than 5 years old, they must take the 8-hour refresher (2 nights) to obtain a limited SST card to be eligible to take the 10-hour SST course.

SST card - if a member has a valid 30-hour OSHA card (less than 5 years from the date of issue) or a limited SST card, they may then sign up for the SST card course (3 nights). All members must have an SST card by 8/31/2020. If a trainee misses any night, they must sign up for another session and attend all 3 nights of that session to receive their card. **NO EXCEPTIONS!**

Trainees must bring the following to all classes:

Valid picture id (driver's license, state issued id, etc., and a union dues receipt.

For members signing up for either SST class, in addition to the above stated documents, they must bring their OSHA 30 card and a 4-hour supported scaffold card.

All trainees must bring a pen and scrap paper.
