

# **BECOME A SHEET METAL WORKER WITH LOCAL UNION 28**

## **INTERNATIONAL ASSOCIATION OF SHEET METAL, AIR, RAIL AND TRANSPORTATION WORKERS**

**The Local 28 Sheet Metal Workers Apprenticeship Program** is looking for qualified applicants for our 5-year learn to earn program preparing you for a career in the Sheet Metal Industry. Applicants must be at least 17 years of age, have good basic math skills and a desire to work in a hands-on and mentally challenging environment. Applicants will be randomly selected to take an entrance exam for classes entering in 2019. Candidates who pass the exam must also pass a drug screening before official acceptance. If selected, you are subject to random drug testing for the duration of the apprenticeship program.

**Union Sheet Metal Workers** are amongst the finest trained craftspeople of all the Building Trades. We design, fabricate, install, weld and service ductwork for heating, ventilating and air conditioning systems. We also weld kitchen equipment and install siding and metal roofs. The Statue of Liberty was made by sheet metal workers! We work with many materials including galvanized steel, copper, aluminum, and a wide variety of specialty materials.

**Local 28 Sheet Metal Apprentices** work full-time for a union contractor that pays them to attend classes throughout the year. Graduates also receive college credit from select accredited institutes of higher learning. The first six months to a year of the program is pre-apprenticeship leading to being indentured as an apprentice. Pre-apprentices attend a mandatory four weeks of school and receive a small stipend before being assigned to a union contractor and enjoying the full benefits of membership.
